PROFILE

IB student and serial entrepreneur with ventures spanning AI consultancy, sustainability and retail across East and Central Africa. Track record of raising capital, securing clients and building financial systems from the ground up. Aspiring private equity professional with real-world exposure to investment analysis and corporate finance.

ENTREPRENEURIAL EXPERIENCE

Founder & Director

A&F Ventures · Kenya & East Africa · 2025 – Present

- ▶ Founded an AI-powered digital consultancy delivering automation, digital infrastructure and growth systems for SMEs across East and Central Africa, raising ~\$2,500 in early-stage funding to launch operations.
- ▶ Secured 3 clients across Kenya and the DRC, including Qaffee Point (Mombasa), Almas Electronics (Nairobi) and NTV (DRC), executing end-to-end from sales through delivery.
- ▶ Designed restaurant systems replacing outdated POS and manual workflows with integrated ordering, reservations, customer management, analytics and reporting, projected to improve operational efficiency by 20%.
- ▶ Conducted operational and digital audits to surface revenue leakage, conversion gaps and retention challenges, translating findings into structured growth strategies.
- ▶ Led cross-functional delivery across web development, AI automation, CRM systems, analytics dashboards and social media management.

Co-Founder & Finance Lead

East African Chess Summer Academy · Kinshasa, DRC · 2021 – 2024

- ▶ Co-founded a youth chess academy from scratch, growing it to 40+ enrolled students across three summer cohorts and producing competitors who placed at interschool tournaments in Kinshasa.
- ▶ Built and managed all financial operations: designed pricing models, tracked revenues and expenses, and created annual reinvestment budgets that sustained programme growth year-on-year.
- ▶ Generated over USD 10,000 in cumulative revenue across three summers, demonstrating the viability of a self-funded, student-led educational enterprise.

PROFESSIONAL EXPERIENCE

Finance & Operations Intern

Aviny SARRL · Kinshasa, DRC · 2024

- ▶ Embedded within the head office finance team of a diversified trading group operating retail stores, restaurants and catering, gaining direct exposure to multi-entity financial management.
- ▶ Studied preparation of P&L statements, balance sheets and cash flow reports under practising accountants, and observed how management used these outputs to drive operational decisions.
- ▶ Reviewed live employee contracts and HR documentation, developing an early understanding of legal frameworks governing workforce management in a corporate setting.

LEADERSHIP & COMMUNITY SERVICE

Managing Director

EarthPulse · IB CAS Project · Aga Khan Academy, Mombasa · 2025 – Present

- ▶ Awarded a \$2,500 grant by the IB Global Youth Action Fund (GYAF), one of a select number of student-led projects recognised globally for environmental and community impact.
- ▶ Built a circular waste-to-resource system: collected and segregated organic food waste from schools and households, converting it into compost as a natural fertiliser alternative for local farmers and biogas for cooking fuel in low-income homes.
- ▶ Formed partnerships with St. Augustine Secondary, Port Reitz School and Regen Organics to establish community composting infrastructure and deliver structured waste-segregation education.
- ▶ Managed the full project lifecycle: fundraising, budgeting, supplier coordination, community outreach and progress reporting to IB CAS supervisors.

Founder & President

Investment & Trading Club · Aga Khan Academy · 2025 – Present

- ▶ Founded the school's first Investment & Trading Club, growing active membership to 20+ students engaged in live market analysis and simulated portfolio management.
- ▶ Delivered workshops on equity valuation, portfolio construction and risk management, drawing on certified virtual experience programmes from Fidelity International and JP Morgan (Forage).

Initiative Lead

Zawadi Bazaar • Aga Khan Academy Annual Market • 2024 – 2025

- ▶ Co-led a 4-stall operation at the school's annual Zawadi Bazaar, coordinating a lifestyle retail stall under the Drip-StoreKe brand, sourcing trendy products directly from a Guangzhou supplier, alongside three food and beverage vendors including bubble waffle and boba stalls.
- ▶ Oversaw end-to-end event execution: supplier negotiation, inventory planning, POS setup (Square, Loyverse), sales tracking and financial reconciliation, generating KES 180,000 (~USD 1,400) with 50% of net proceeds directed to sustainability initiatives.

ATHLETICS

Table Tennis

Inter-school & Congo Olympics • Kinshasa, DRC • 2021 – 2024

- ▶ Competed in inter-school table tennis tournaments and represented peers at the Congo Olympics sporting events, a multi-sport competition bringing together international school communities across Kinshasa.

Padel

Competitive Club Level • Mombasa, Kenya • 2024 – Present

- ▶ Trains and competes regularly at club level, developing strategic play, athletic discipline and competitive resilience.

Gym & Fitness

Strength & Conditioning • Mombasa, Kenya • 2023 – Present

- ▶ Committed to a structured training regimen emphasising consistency, goal-setting and physical discipline alongside academic and entrepreneurial commitments.
