

Dear Sir/Madam,

We are pleased to reach out to you regarding our Diploma Programme Year 1 (DP1) student theatre production, a vibrant rendition of Disney's ***Into the Woods***.

Since its inception in 2014, this annual student-run theatre project has been a cornerstone of the DP1 experience at The Aga Khan Academy, Mombasa. The initiative is designed to develop essential skills such as leadership, collaboration, creativity, and entrepreneurship. Each member of the class contributes to the production by taking on roles in marketing, hospitality, catering, production, and performance.

This year's play tells a timeless story of transformation, courage, and the importance of looking beyond appearances. The DP1 class is confident that this performance will captivate and inspire audiences from our school community and the wider Mombasa region.

The performances are scheduled for **Monday, 20th April 2026** and **Tuesday, 21st April 2026**, and we anticipate welcoming a full audience on both evenings.

We are currently seeking sponsors to support this student-led initiative. In addition to helping offset production costs, funds raised will go towards supporting the students of Mwega Primary School in Gilgil. During our DP1 bonding trip, we visited Mwega Primary School, where we began our CAS journey. Witnessing firsthand the challenges faced by the students, particularly the lack of access to clean water and proper sanitation, motivated us to take action. Through this project, we hope to contribute meaningfully to improving conditions for the Mwega Primary community.

We are delighted to share that the performance rights and licensing for the production have already been secured. We would therefore be truly grateful for your sponsorship and support in bringing this production to life and helping us make a meaningful contribution to the Mwega Primary community.

We understand that support can come in many forms beyond financial contributions, and we warmly welcome any form of assistance. The play's Communications Department looks forward to working with you, and we would be delighted to acknowledge your support as part of this initiative.

Should you have any questions, please feel free to contact us at mba-communications@agakhanacademies.org.

By partnering with us, you support both the arts and a meaningful student-led community initiative that aims to create a positive and lasting impact.

Warm regards,
On behalf of the Class of 2027,
Francis Kariuki
Senior School Principal
